SOME ANGELES NATIONAL FOREST ROADS TO RE-OPEN TO TRAFFIC

The Los Angeles County Department of Public Works has announced the re-opening of Big Tujunga Road from the City of LA/County Line to Angeles Forest Highway, and Angeles Forest Highway between the Tunnel and Angeles Crest Highway.

The roads will re-open today, Monday, March 21, 2011, at 6:00 p.m.

However, Angeles Forest Highway from Aliso Canyon Road to the Tunnel, and Upper Big Tujunga Canyon Road will remain closed until further notice.

The roads were closed on March 19 due to storms.

Further updates on mountain road conditions and other County road closures can be found on the Coordinated Agency Recovery Effort (CARE) website at www.dpwcare.org. Residents and motorists can also receive instant road opening/closure notifications via the Department's eNotify email alert system. To register for this free service, visit the Department's official website at www.dpw.lacounty.gov and click on the eNotify icon.

Residents, business owners and persons with access or functional needs may also call 2-1-1 for LA County information and referral services regarding post disaster resources that are available to those affected by floods, mud or debris flows. The toll-free 2-1-1 number is available 24 hours a day, 7 days a week. The service can also be accessed by visiting www.211la.org.
